PMI WA 25TH ANNIVERSARY EVENTS

PERTH, WESTERN AUSTRALIA

WEDNESDAY 16 SEPTEMBER - FRIDAY 18 SEPTEMBER

SPONSOR HIGHLIGHT

PMI WA proudly thanks Millpond for its generous support as the official Gold Sponsor of our upcoming September Conference.

Millpond is a specialist project services and training organisation helping businesses deliver successful projects and build project capability. Its services span project management, business analysis, consulting, change management, quality assurance, portfolio management and professional training.

PMI WA proudly thanks SHAPE Australia and CycleWise Project Services for its generous support as the official Silver Sponsors of our upcoming September Conference.

SHAPE Australia is a leading national fitout and construction services specialist delivering projects across commercial, education, health, defence, hospitality, retail and other sectors. With more than three decades of experience, SHAPE combines technical expertise, quality and a collaborative approach to project delivery.

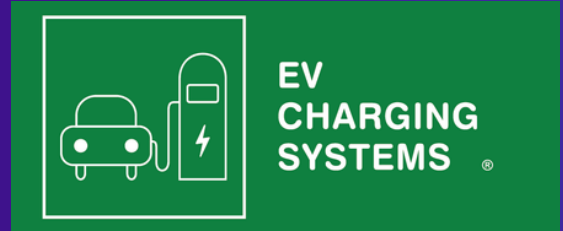

CycleWise Project Services connects organisations with experienced project professionals to deliver trusted project outcomes. Its services span project management, risk, governance, project controls and the full project lifecycle, with a focus on building capability and creating lasting impacts.

SPONSOR HIGHLIGHT

PMI WA proudly thanks the following sponsors for their generous support as the official exhibition Sponsors of our upcoming September Conference.

Millpond is a specialist project services and training organisation helping businesses deliver successful projects and build project capability. Its services span project management, business analysis, consulting, change management, quality assurance, portfolio management and professional training.

EV Charging Systems is a WA-based supplier, installer and service provider specialising in electric vehicle charging infrastructure. The company delivers tailored AC and DC charging solutions, including supply, installation, commissioning, servicing, maintenance and load management.

Safer Community Security is a WA-based electronic security specialist delivering integrated CCTV, access control, alarms, electronic key management and visitor management solutions, supported by security personnel and consulting services. The company provides tailored, scalable security solutions for commercial, industrial and public environments.

Banhams WA is a Western Australian integrated building services provider specialising in fire protection, plumbing, gas, electrical, pump systems and passive fire services. With more than a decade of industry experience, the company focuses on quality, compliance and reliable technical solutions.

ASPIRE Change Management Services provides tailored, end-to-end business change solutions across government, resources, health, finance and technology. Its capabilities include change management, project and program delivery, Agile, business transformation and process improvement.

Edith Cowan University (ECU) is a Western Australian university recognised for industry-relevant teaching, applied research and strong industry engagement. ECU provides innovative education and research across a broad range of disciplines, with campuses in Joondalup, Perth and Bunbury.

Project Management Institute WA Conference 2026

Leading Projects in an Age of Change

9:00am – 5:00pm | The Novotel Perth, Scarborough Room,
388 Murray Street Perth

Join the Project Management Institute Western Australia Chapter for the PMI WA Conference Perth 2026 — the premier project management conference bringing together professionals, leaders, academics, and practitioners from across Western Australia and the Asia-Pacific region.

Under the conference theme, **“Leading Projects in an Age of Change”** the event will explore how project professionals can successfully navigate disruption, complexity, innovation, and transformation in an increasingly fast-moving world. This will include several presentations from notable PMI Members and a **panel discussion on the topic of Future Workforce Ready, the People Side of AI.**

Whether you are an experienced executive, emerging professional, student, or project practitioner, PMI WA Conference Perth 2026 promises to deliver thought-provoking discussions, practical insights, and valuable connections that will help shape the future of project management in our region. Be part of the conversation driving the next generation of project leadership and join us in Perth for an exciting and inspiring conference experience.

PMI WA 25th Anniversary Project Management Awards Celebration Event - Havana-Style Cocktail Party

6:30pm – 9:30pm | The Adnate Perth – Art Series Hotel, Alma Function Room & Terrace, 900 Hay Street Perth

Join Western Australia's project management community for a spectacular Havana-style cocktail party at the stylish Adnate Perth Art Series Hotel on Friday 18 September. This milestone evening celebrates 25 years of PMI WA achievements, connections, and contributions to the profession with plenty of flair, colour, and celebration along the way.

Expect an unforgettable night of cocktails, networking, music, and recognition as nine prestigious Project Management Awards shine a spotlight on the people and projects making a real impact across WA industries and communities.

From seasoned professionals and industry leaders to emerging talent and passionate volunteers, this is the event where the project management community comes together to celebrate innovation, leadership, and excellence in delivery.

So dust off your tropical attire, bring your celebration spirit, and prepare for a night where project management meets Havana magic!
